Foreword

In last week's semi-finals we were given an exhibition of real final round football by one team. Canning with their fast play-on game, hard tackling, and a strong desire to get the ball, had Kenwick floundering from the start. Kenwick, did however, put a little more spirit into their game after half-time, but, still could not hold-off the repeated attacks made by Canning who ran out easy winners.

Today's semi-final in the league should be a great dual between the two top sides and it has been said that it could be a Grand Final rehearsal, however, the way in which Canning on their semi-final they will probably have different thoughts on this matter in the preliminary final.

The Seconds first semi-final showed how the Maddington team is during finals. They displayed how fit they are and ran away easy winners after half-time. Today we again see Kenwick in the second semi-final, this year undefeated in the qualifying round, and will be fighting really heard to maintain that record.

All four teams will be striving to win today, knowing that if beaten they face even tougher games next week. We look forward to two evenly contested games and I think only a few points will separate them at the final siren.

MIGHTY ROYALS

Last week's game saw the end of the season for the league team. It was certainly a terrific efort to get into the four, but unfortunately we couldn't go on with it. Canning were a much better side on the day and thoroughly deserved their win. We were beaten in nearly every position on the ground and never looked like getting into the game. Congratulations to Canning and the best of luck for the rest of the finals.

We may have lost last week fellas, but don't hang up your boots yet. The reserves need your support and one way of giving it would be to attend all their training sessions and encourage them right up till the end of the grand final

Congratulations to Geoff Truscott who was runner up the Fairest and Best in the Association, and Angie Fimognari who won the Association Fairest and Best for the reserves competition. The Kenwick Fairest and Best Awards were won by Alf Stal in the league and Darryl Ogg in the reserves. Congratulations to Alf and Darryl.

To the reserves players today, a win is a must. We have to win to get that easy road to the grand final. We have not been beaten all season, so let's keep our record intact. let's listen to what John Riseley has to say, get behind Darryl and go out and do it. Best of luck to all the players selected to represent Kenwick today and let's see every one of you put up the fight that is needed to win final round matches.

TALK OF BULL

The seconds side turned on another overall team effort to comfortably defeat Kelmscott in the 1st Semi-Final last week. It was pleasing to see all players contribute and our form over the last few weeks in particular, suggests that we are capable of beating Kenwick and Gosnells providing we all put it together. Players to show out in the game last week were the entire half back line of Trevor James, Bob Griffin and Les Jarvis together with Mark Schmook and Horse Condon.

The league side fronts up to Gosnells this week in the second semi final. This will be a hard fought contest but one which we must win and therefore advance direct into the grand final. Best of Luck, fellas!!

JUNIORS: The 18's and under side, which was the only junior side to make the final four this year have won their way into the grand final which is being played today. Coach Terry Hambleton and team manager Owen Ashly have done a tremendous job with these boys during the year and are to be congratulated. Lets make it a big win today fellas.

THE HAWKS

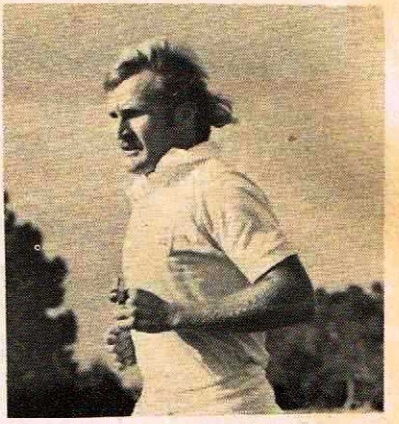
Finals!!! That moment of truth that you have to face to finish off a football season. Congratulations to all players who don "The Mighty Fighting Hawk" Jumper in the next few weeks — remember one for all and all for one.

Our club's thanks go out to all the teams who participated this year and enabled some really good times to be enjoyed. On the subject of Clubs which I feel have all progressed a long way over the past few years, the time has now come to promote ourselves much stronger at league level and to this end it will be necessary for all clubs to dip in much more financially, but more about that later.

Last Sunday's day off saw our players work hard and then relax, and to Sally and Mick Trew thanks very much for your hospitality.

By the time today's game commences our Colts will have played in the Grand Final and lets hope that a win for them coupled with Grand Final victories to the Sixteens and Nines will see "The Year of the Hawk".

GENERAL



GOOD PERFORMANCE BY OUR UMPIRES

Last week proved that our standard of umpiring compliments the strength of the competition.

Ian Randall who returned to umpiring this year gave a polished display in the Reserves Game.

Joe Reynolds (pictured) performed well in the League Game and encouraged the play-on brand of football.
